

Power to Pill carried out a wide-ranging community consultation exercise amongst the residents of Pill, Easton-in-Gordano and Ham Green between August 2023 and December 2023. There were in excess of two hundred individual responses to the consultation during the five-month period that it ran.

The project is a partnership between the Pill Community Foundation, the West of England Rural Network and Pill and Easton-in-Gordano Parish Council. It is funded through North Somerset Council as part of the UK Shared Prosperity Fund.

What is the single most important thing you want for our community?
